MY SHOES 2018

This is a 1-mile walk to raise money and awareness about the plight of the homeless in Ocala. Proceeds will go to support the Interfaith Homeless Shelter. **Our goal is to have 100 people walk and each of those to raise \$250** in sponsorships to support our homeless shelter for women, children and families. That's only 10 people to sponsor at \$25/each! If everyone helps we can raise \$25,000 to help those who have the least! There will be prizes for the people who raise the most money OVER \$250. Please help!

Yes! I'll sponsor _____ to "Walk a Mile in their Shoes".
