

Walk a Mile in My Shoes

A walk to raise awareness of the difficult conditions of those experiencing homelessness every day.

On September 18th, I will be participating in Interfaith's "Walk a Mile in My Shoes" fundraiser. This one-mile walk is like no other, as participants get to experience the conditions, for just a few minutes, that many of our homeless live with every day.

Donations will help support Interfaith's homeless shelter, where thousands of women, children and families have received love, support and an end to homelessness!

Would you sponsor me? Our goal is to raise \$25,000, and by becoming my champion, your \$25 (or more) donation* can make a difference! Or you can walk with me!

Participant Name or Team: _____
