## Here's how it works:

-  Participants arrive at the starting point and surrender their shoes and select a pair of donated (sanitized) shoes; carrying their personal shoes in a plastic bag.
-  Show your support during the walk with cardboard signs in support of our homeless and Interfaith.
-  Participants walk 1 mile from First Presbyterian Church to Interfaith's Center for Life.
-  Proceeds support Interfaith's homeless shelter, where thousands of women, children and families have received love, support and an end to homelessness!
